2022 GRADUATE PROGRAM

Employees love the freedom, flexibility and autonomy of working for DRA Global and we don't believe it should be any different for our graduates. Ours is a collaborative working environment, not a competitive one and we acknowledge that success is measured by more than just profit.

As much as we strive to make our clients dreams a reality, we'd like to do the same for you. Our 2022 graduate program kicks off by hearing from you, understanding your interests and ultimately pairing your individuality with the perfect opportunity. We have the best in the industry, across the globe to mentor you in many exciting disciplines.

OPPORTUNITIES

This year, we're looking for undergraduates in their final year of study or recent graduates with less than one year of experience, in the following disciplines:

- // Electrical / Instrumentation Engineering
- // Chemical / Process Engineering
- // Civil Engineering
- // Mechanical Engineering
